Tech Program at Barksdale

Louisiana Tech conducts an on-base degree program at Barksdale Air Force Base. The program is designed for Air Force personnel whose military assignments make it impractical for them to earn college credit and complete a baccalaureate degree in the usual manner.

Pictured above is a Barksdale class being taught by Norman Cox, who also is in charge of the Tech program at the base. At the left is the Barksdale Air Force Base headquarters building.

Panhellenic Council

Panhellenic Council is an advisory-governing body for the six national sororities on the Tech campus.

The council is composed of a senior delegate, a junior delegate, and the president of each sorority. During the formal rush season, a rush chairman serves on the council.

Preceding formal rush, a workshop is held by the council. During this time rush rules and procedures are adopted. Also, a Panhellenic convocation is planned to inform rushees of the purposes of Panhellenic and sororities. An event of every spring is the Greek Weekend in which the council directs sorority competition in a variety of activities. Every quarter Panhellenic attempts to promote high scholastic standards by offering trophies to sororities with the highest scholastic average and the most improved average.

Interfraternity Council

MARTIN BAKER President
 CRAIG GOEBEL Vice President
 FREDDY THOMPSON Secretary
 FRANK KELLY Treasurer
 RAY MOREAU Chief Justice

The Interfraternity Council, acting as the governing body for the Greek fraternity system, serves to foster better relations between the fraternities at Tech by co-ordinating rush and joint projects of the fraternities.

In order to promote leadership and activity in all facets of campus life, the Interfraternity Council undertakes many projects each year. Foremost among these is Greek Week, which is held each spring to bring together all of Tech's social Greek organizations. Co-sponsored by Panhellenic, the week is highlighted by discussion groups of deans, teachers and Greeks, competitive games and an all-Greek dance.

Junior Panhellenic Council

The Junior Panhellenic Council consists of the pledge president and one delegate from each sorority pledge class.

The purposes of Junior Panhellenic are to prepare an evaluation of the rushing season in which they have participated and to submit their report to the Senior Council. The Junior Panhellenic Council also serves to orientate new pledges to the organization and activities of the Senior Council, thus preparing them for future service.

Gamma Tau Epsilon

STEPHEN MORROW
President

JOHN SANDERS
Vice President

Gamma Tau Epsilon Order was organized and chartered at Tech in the spring of 1967. It is a local fraternity and the newest social group on the campus. The motto of the order is "Loyalty unites our cause." The colors are scarlet and gold. The flower is the white rose. The goal of the order is to become a local chapter of a national fraternity.

Gamma Tau Epsilon holds several social events during the year, including the Cowboy and Indian party, the Bowery party, the Christmas formal, and the Gamma Tau Sweetheart formal in the spring.

Officers of the year were Stephen Morrow, president; John Sanders, vice president; John Rimes, deputy treasurer.

President

HAROLD HEATH
Vice President

Kappa Alpha Order is unique in that it is a Southern fraternity. KA was founded at Washington and Lee University on December 21, 1865. Robert E. Lee was the president of the college and it is the character and qualities of that man that Kappa Alpha Order purposely strives to emulate.

The Southern way of life and traditions are exemplified in the practice of Old South Weekend. The weekend consists of a decorating party, hayride, secession ceremony, parade and delivery of invitations. Festivities are concluded by the Old South Ball.

Officers of the year were Thomas McNeill, president; Harold Heath, vice president; Dan Swearingin, secretary; and Bruce Berry, treasurer.

Kappa Sigma

GARY GORDON
President

BILL HUNT
Vice President

Kappa Sigma was founded in 1869 at the University of Virginia by the "Five Friends and Brothers." Omega Kappa was formed in 1928 on the Tech campus and was granted a charter and installed as the Epsilon Gamma Chapter of Kappa Sigma in 1941. The colors are scarlet, white, and emerald green and the flower is the lily-of-the-valley.

The Kappa Sigma badge is in the shape of the star and crescent, the fraternity emblem. Within the five pointed star, the top of which is arched by the crescent, are the Greek letters representing Kappa Sigma.

Officers this year were Gary Gordon, president; Bill Hunt, vice president; Robert Stein, secretary; and Randy Hall, treasurer.

The Philomathean Society was organized at Wesleyan College in 1852. Phi Mu was granted a charter by the State of Georgia, which gave it the prerogatives of a national corporation. In that same year, the first new charter of Phi Mu, Beta Chapter, was installed at Hollis College in Roanoke, Virginia. Today Phi Mu has over 90 collegiate chapters.

Among the many activities of the year include house party, rush, Campus Carnival, Founder's Day, homecoming, Big-Little Sister Party, Mothers' Banquet, and the Christmas and spring formals.

Officers were Nerissa Bell, president; Carol Turner, vice president; Ann Holly recording secretary; Mary Lou Green, corresponding secretary; Janis Dubuc, treasurer.

Pi Kappa Alpha

WILLIAM TODD
President

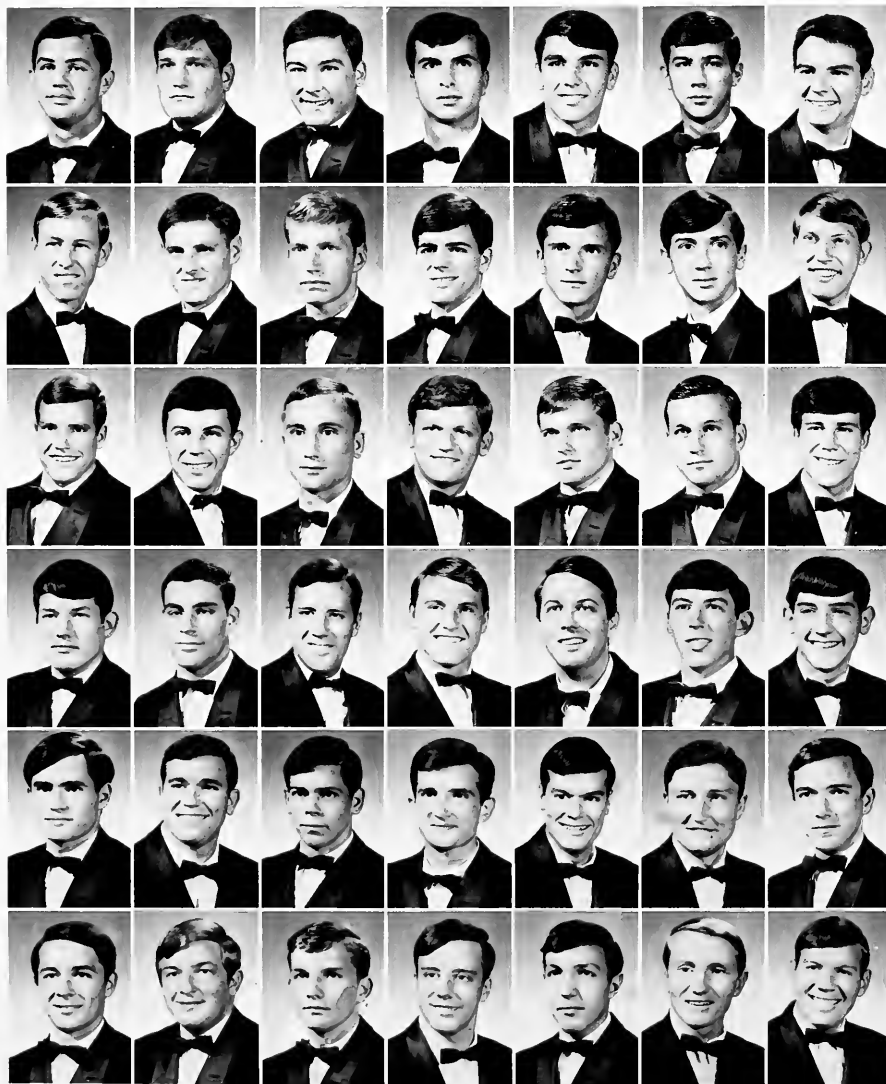

JAMES MCKINNEY
Vice President

This year marks the centennial anniversary of the founding of Pi Kappa Alpha which began at the University of Virginia in 1868. During this time over 70,000 men have been initiated into the fraternity, putting it in the top five nationally in total membership.

The Gamma Psi Chapter of PiKA received its charter on the Tech campus on April 10, 1910. The fraternity is an intimate association of men who have voluntarily bound themselves to one another as brothers by a sacred pledge and to the ideals which they serve.

This year's officers were William Todd, president; James McKinney, Jr., vice president; Thomas Bursom, secretary; and William Dunn, treasurer.

Sigma Nu

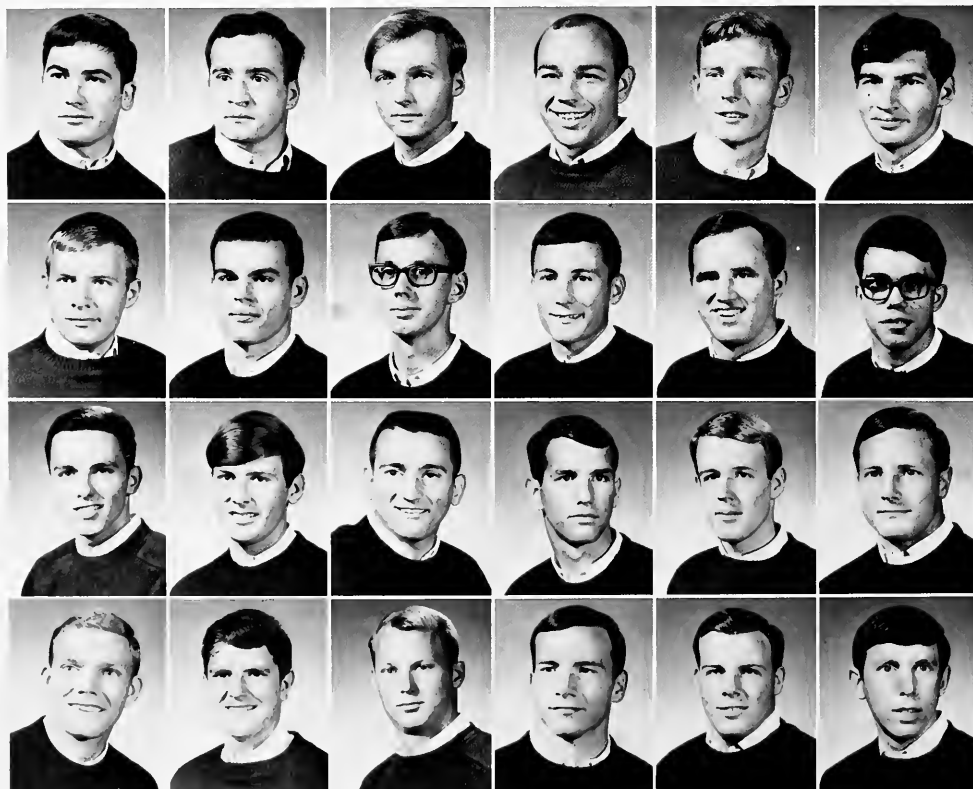

RONALD HARRISON
President

LEE BRANTLY
Vice President

Eta Zeta Chapter of Sigma Nu fraternity was brought to the Tech campus in the spring of 1960 by Dr. C. C. Chadbourn, Jr., and his son. The men of this fraternity have tried to live by the ideals set forth in the creed: "To believe in the life of love, to walk in the way of honor, to serve in the light of truth ..." These same principles have carried the national fraternity from its founding in 1869 at Virginia Military Institute to a present-day organization of over 70,000 living members.

This year's officers were Ronald Harrison, president; Lee Brantly, vice president; Stan Belton, secretary; and Malcolm Brown, treasurer.

From beginning to end, the school year is always busy for the members of the AWS board. Composed of elected and appointed officers, dormitory presidents, the presidents of Campus Women's Council and Campus Activity Board, and representatives of the town and drive-in coeds, the board is sponsored by Mrs. June W. Dyson. Its year-round program of activities for Tech women begins with the Junior Counselor program during freshman orientation and is climaxed with the presentation of the Daisy Chain at the spring installation ceremony.

Third Row: Janet Brown, Bobbette Golden, Carol Turner, Renee Dunn, Pat Aymond, Virginia Buford, Annelle Stolz.

AWS members Bobbie Kennedy and Carol Turner greet newly arriving freshman at her dormitory.

Anne Terry and Dean Dyson discuss the participation of the AWS in Tech's recruitment program.

Dr. Lucile Folk, named by the AWS as "Outstanding Faculty Woman," shows the plaque she received to Janis Dubuc and Barbara Reich, "Outstanding Sophomore Woman" and "Outstanding Freshman Woman" respectively.

Campus Women's Council

VIRGINIA BUFORD
President

CONNIE MARTIN
Vice President

The purpose of the Campus Women's Council is to unite the governing bodies of the dormitories so that problems may be recognized by a specific organization and so that the residents of the dormitories may become more closely associated and participate in more cooperative enterprises.

Each year the CWC publishes a booklet, "To Do and Not To Do," which contains the rules and regulations of the women's dormitories.

Annual activities sponsored by the CWC are a Mothers' Weekend coffee, a Christmas Pajama Party for all dormitory women and a May Day breakfast.

Officers were Virginia Buford, president; Connie Martin, vice president; Ki Marlowe, secretary, Virginia Verigan, treasurer.

Student Senate

The Student Senate for 1967-68, under the leadership of Pat Briney, has endeavored this year to consider all matters that may concern the general interest of the student body and to create a closer communication between the faculty and students.

With "ACCENT '67" as one of the biggest projects undertaken by the Senate, there is the hope that a lecture program may be developed that will draw prominent speakers to the Louisiana Tech campus and will continue as a vital academic feature. Among other activities, the Student Senate planned Homecoming and arranged for Tech's part in State Fair Weekend, elections of the State Fair Court, class officers, and cheerleaders.

Other activities included handling student insurance program, sponsoring the student loan fund, promoting campus improvement, coordinating the Miss Louisiana Tech Pageant, and selecting Who's Who.

Left to Right: Ki Marlowe, secretary; Judy Bond, executive secretary; Pat Briney, president; Mike Burge, vice president; Jeanie Fallin, treasurer; Scott Weathersby, adviser.

The Senate is composed of five executive officers, the class presidents, and two women representatives and two men representatives from each class. The members are elected during the spring quarter in an all-campus election.

First Row: Jim Dowling, Becky Salters, Carol Jones, Jim McGrery, Cary Gray.
 Second Row: Tom Kennedy, Barbara Reich, Donna Spargo, Craig Henry, Buzz Wojceki.

George Levert introduces members of the State Fair Court at the Shreveport pep rally. Penny Stewart and Louellen Aden await their turns.

Checking the Senate's treasury are Jeanie Fallin and Jim McCreary.

Susie McBride and Craig Henry coordinate activities for the Miss Tech Pageant.

David Brinkley was one of four speakers whose appearance on campus was sponsored by the senate.

The Southern Universities' Student Government Association (SUSGA) is a nonpolitical association of more than 130 colleges and universities in 10 Southern states. At the 1967 annual conference, Luther Horton, a Senate member majoring in pre-law, was elected chairman of the organization.

During his year as the executive officer, Luther has presided over the executive council of SUSGA, composed of ten state chairmen and five advisors. Last year he was the state chairman of Louisiana.

In addition to presiding over council meetings and the annual conference, he has addressed ten state conferences and has spoken at more than fifteen convocations on different college campuses throughout the South.

Pi Epsilon Tau is the petroleum engineering honor society. The Iota Chapter of Pi Epsilon Tau was founded at Louisiana Tech in 1959 with the following objectives: "To foster a closer bond between its members and the petroleum industry, to broaden the scope of activities of its members, and to maintain the high ideals and standards of the engineering profession."

Election to membership in the national organization is based on scholastic accomplishments, leadership and sociability.

Pi Kappa Delta

PHILIP JACOBS
President

JUDITH DENNY
Vice President

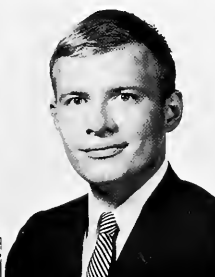

Pi Kappa Delta is a national honorary fraternal organization for intercollegiate debaters, orators, interpretative readers and instructors teaching debate and forensic speaking. Its purpose is to promote scholarship, especially in the field of forensic speaking in senior American colleges and universities.

The Louisiana Delta Chapter of Pi Kappa Delta at Louisiana Tech assists in promoting and conducting the annual Tech College Forensic Tournament in November and the High School Forensic Tournament in January.

Membership in the chapter is open to all regularly enrolled undergraduate students at Tech who participate in intercollegiate debate, oratory and interpretative reading. A Tech team consisting of Philip Jacobs and Pat Briney won top rating at the annual Pi Kappa Delta national tournament at Whitewater, Wis., in April, 1967. Judith Denny and Jean Evans hold the degree of Highest Distinction in the fraternity.

Displaying the trophies given at the Intercollegiate Forensic Tournament in the fall are Pi Kappa Delta members Bob Wertz, Steve Agan, Phil Jacobs, Donna Smith and Dale Mertens.

Phi Alpha Theta

WILLIAM WILSON President
DOUGLAS WILLIAMS Vice President
DAVID NUNN Secretary
JANICE HARPER Treasurer

Phi Alpha Theta is a national honorary society whose purpose is to encourage outstanding scholarship in the study of history. Undergraduate membership in this organization is limited to those persons who have achieved at least a 3.1 average in 15 or more hours of work in history and have also compiled an overall average of at least 3.0. Graduate student candidates for membership must have completed at least 30 percent of their degree program and must have a minimum graduate grade average of 3.1. All members of the history faculty at Tech are also eligible for membership.

Block and Bridle Club

LYNN BEASLEY	President
BILL JONES	Vice President
MERRILL GRESSE	Secretary
LEON PESNELL	Treasurer
MERRILL ERMON	Reporter

The Louisiana Tech Block and Bridle Club is an organization composed of the members of the animal industry department.

The purpose of the club is to promote scholarship among its members. During the year, the club sponsors numerous activities promoting fellowship and a practical understanding of the careers available to animal science graduates.

Their chief undertaking each year is the annual spring sale. At this time, young steers purchased by the club that have been fed out to finishing slaughter weights are sold to the highest bidder. This year's special project was the construction of stalls for the quarter-horse fillies recently purchased by Tech.

Phi Beta

ALICE KAHN	President
RENEE DUNN	Vice President
JANN ALDREDGE	Secretary
CAROLYN TAYLOR	Treasurer

The Alpha Omicron chapter of Phi Beta, national fraternity for women in music and speech, was chartered on the Tech campus in 1962. Members are selected through recommendations from Phi Betas, Phi Beta alumni, or Tech music and speech faculty members, concerning their talent, personality and character, and on the basis of auditions held by the chapter members.

Alpha Omicron has given its members a chance for professional development through programs given at the Ruston Nursing Home and for the Ruston Department Club. Phi Beta tries to recognize outstanding talent by awarding a cash grant to a music or speech major.

Society for Advancement of Management

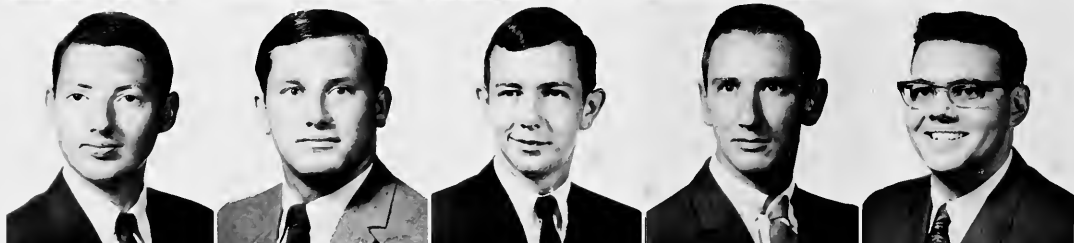

THOMAS BELLOWES
President

STEPHEN PEARCE
Vice President

The Society for Advancement of Management, the recognized national organization of managers, has been dedicated to the promotion and advancement of the art and science of management since the original Taylor Society was founded in 1912. The university division of S.A.M. adds to this the opportunity for students and executives to get together, and to serve as a medium for the exchange and distribution of information on the problems, policies, and the methods of industry. S.A.M.'s year is marked by distinguished speakers from industry, field trips, and banquets.

Engineers' Association

JAMES MATHIS
President

The Louisiana Tech Engineers' Association is composed of all the students in the School of Engineering. Its governing body is made up of four executive officers selected by popular vote of the entire group, plus the president and one delegate from each of the seven departmental organizations—AIChE, AIIE, ASAE, ASCE, ASME, IEEE, and SPE of AIME—and the editor of the Louisiana Tech Engineer.

The association was formed in 1934 for the purpose of promoting interest and a spirit of friendship in the School of Engineering, as well as acquainting prospective students with the engineering profession.

Engineers' Day is the highlight of the year's activities. It involves both group and individual projects and exhibits with prizes being awarded for the best of these. The crowning of the queen and presentation of various faculty awards culminates the day's activities.

Pi Tau Sigma

JAMES HARTLEY. President
 VICTOR LINN Vice President
 JOHN HARSON Corresponding Secretary
 FRANK TODARO Recording Secretary
 LARRY BARFOOT Treasurer

Pi Tau Sigma, a national honorary mechanical engineering fraternity, was founded at the University of Illinois in 1915. The Louisiana Tech Tau Xi chapter was formally installed on April 23, 1957.

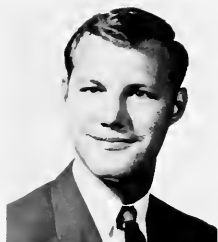

Active members are chosen on a basis of sound engineering ability, scholarship and personality. They are chosen from the top 35 per cent of the junior and senior classes.

The purpose of Pi Tau Sigma is to establish a closer bond of fellowship which will result in mutual benefit to the men in the study and the profession of mechanical engineering, who by their academic or practical achievements manifest a real interest and marked ability in their chosen work.

Baptist Student Union

The basic objective of the Baptist Student Union is to lead each person of the academic community into a maturing Christian experience. To achieve this objective, the Tech BSU develops a concern for evangelism and missions to build a stronger personal spiritual life, to train the members of the collegiate community for Christian leadership, and to provide opportunities for Christian fellowship and recreation.

Among the many activities designed to accomplish this objective are a pre-school retreat, daily chapel services, Bible study, lecture series, Young Women's Auxiliary, Christian student leadership week and recreational activities including parties and banquets.

Tech BSU participates in state-wide activities including a fall convention, a spring assembly and several choir tours. George Haile, a former Tech student, serves as fulltime director of the BSU.

MAXIE LAMBRIGHT
Head Football Coach

At times during the 1967 season, Louisiana Tech's football team looked like a "giant-killer."

Despite finishing the campaign with a 3-7 record, the Bulldogs knocked off two of the nation's highly rated small college teams, Lamar Tech and Arkansas State.

The other victory in Coach Maxie Lambright's debut as head mentor was over Delta State.

Losses came at the hands of McNeese State, University of Southwestern Louisiana, Northwestern State, Northeast State, Southeastern, New Mexico State, and University of Southern Mississippi.

Three members of the Canine forces earned All-Gulf

States Conference honors—halfback Robert Brunet, safety Alden Reeves, and split end Tommy Spinks.

Brunet's best performance came against Lamar Tech where he rushed for 224 yards. Reeves broke the school record for punt returns, and Spinks erased two club marks—passes caught and most yards receiving.

At the annual banquet, center Jim Willis was awarded the Billy Moss Trophy, Brunet was named the outstanding offensive back; Reeves, outstanding defensive back, and Spinks, outstanding offensive lineman. Tackle Walter Causey received the outstanding defensive lineman trophy.

Delta State

Maxie Lambright's coaching debut was successful as the Canines slammed Delta State 34-7. Quarter Terry Bradshaw passed for 224 yards, fullback Buster Herren scored three touchdowns on short runs, Larry Brewer took an aerial from Bradshaw for a TD and quarterback Truman Meissner ran for another six-pointer. Elton Calhoun kicked four PAT's. Rick Taylor intercepted two of Delta's passes as the Bulldogs grabbed an easy victory.

McNeese State

McNeese rallied in the third quarter to beat Louisiana Tech 20-12 and spoil the Bulldog GSC opener. Alden Reeves returned a punt 83 yards for a score and Tech led 6-0 at halftime. But the Cowboys went ahead 14-6 in the third stanza before a sneak by Phil Robertson closed it to 14-12. The Pokes then wrapped it up with another touchdown.

Southwestern

Pass interceptions, fumbles and penalties proved fatal for Tech against the University of Southwestern Louisiana.

The Cajuns posted a 20-14 GSC victory over the Bulldogs, but had to come up with a strong second half effort to turn the trick.

Tech held a 7-3 lead at halftime.

The sad Homecoming Day affair for Tech started on the opening kickoff when Elton Calhoun kicked off out of bounds, the first of nine Canine penalties.

Tech had three passes picked off, fumbled three times and was still in the game until the final whistle.

Halfback Robert Brunet and quarterback Phil Robertson were Tech's main offensive performers.

Arkansas State

Elton Calhoun put his best foot forward against Arkansas State.

The senior place-kicker booted two field goals to send Tech past highly ranked Arkansas State 6-3.

A strong defensive performance also was important in the Bulldogs' second victory of the campaign.

Calhoun kicked three-pointers from 38 and 21 yards. The winning boot came with about 11 minutes left in the game.

State's lone score was a 30-yard field goal by Mike Everett with about seven minutes remaining in the third period.

Northwestern State

Louisiana Tech came up with another fine performance against a nationally ranked small college team when they bowed to Northwestern State College in the annual State Fair Classic in Shreveport.

Northwestern posted a 7-0 squeaker over the Bulldogs, the only score coming in the second quarter when Don Mayfields scored from the one-yard line.

A deciding factor in the Demon triumph was four fumbles by the Bulldogs.

Phil Robertson, Canine quarterback, hit two of four passes and sub Terry Bradshaw connected on 11 of 17. The combo threw for a total of 131 yards.

Liberto greeted after touchdown.

New Mexico State

Looking at the statistics, one would never have thought that Louisiana Tech dropped a 48-7 decision to major college New Mexico State.

Tech held a 31-24 advantage in first downs and trailed by only 548 to 575 in total offense. The Bulldogs passed for 416 yards, with Terry Bradshaw throwing for 288. Bradshaw scored the team's lone touchdown on a three-yard run in the final quarter.

Split end Tommy Spinks led Tech receivers with eight catches for 109 yards.

Assistant Coach Mickey Slaughter gives the good word to (kneeling, left to right) John Bernard, Tommy Spinks, Buddy Hearne, Ken Liberto; standing, Terry Bradshaw, Truman Meissner, Phil Robertson, and Butch Troegel.

Southeastern

Louisiana Tech came up with a strong second half effort, but it wasn't enough to overtake Southeastern Louisiana.

The Bulldogs spotted the Lions 17 points in the first half, then scored all of their points in final two stanzas before falling 27-21.

Tech easily bested SLC in total offense, 495-312. Phil Robertson passed for 302 yards and Tommy Spinks bagged 15 for 232 yards for the Bulldog's top offensive performers.

Fullback Buster Herren is tackled by two Northwestern players.

Bulldog players observe the situation against the University of Southern Mississippi.

Lamar Tech

The running of Robert Brunet and the passing of Phil Robertson to Ken Liberto helped propel Louisiana Tech over nationally ranked Lamar Tech, 41-31. Brunet ran for 224 yards and scored two touchdowns while Liberto caught scoring passes from Robertson for 61 and 13 yards as the Bulldogs came from behind twice to win. Buster Herren and Bubba Sanchez tallied on short runs for the Canines and Elton Calhoun kicked 6 of 7 extra points.

Northeast

A crunching ground game which accounted for 351 yards sparked Northeast to its first GSC victory ever in Ruston, 21-14, in the final game played in Tech Stadium. The Tribe played ball control in the second half after a 7-7 deadlock at intermission and smashed to two TD's to offset a Tech score on a five-yard pass from Terry Bradshaw to Tommy Spinks. Robert Brunet's one-yard run gave the Bulldogs their first half score.

So. Mississippi

Southern Mississippi, where Tech head coach Maxie Lambright had served eight years as an assistant, intercepted seven Bulldog passes to key a 58-7 Thanksgiving Day victory in Shreveport. The Southerners turned two thefts into touchdowns and two more led directly to scores. Tech's only TD thrust came on a seven-yard pass from Terry Bradshaw to Ken Liberto in the last quarter.

Coach Pat Collins has a light moment with linebackers (kneeling) Joe Peace and Elton Calhoun and (standing) Darrell Mancaux and Lucian Conway.

Louisiana Tech finished the 1967-68 cage campaign with a 16-9 record in what Coach Scotty Robertson termed a rebuilding year after winning the Gulf States Conference title in the previous season. The Bulldogs tied Northwestern for 3rd in the league race with a 6-6 record. The club reeled off six straight wins after an opening loss, but fell into a slump and lost 5 of the next 8. The Canines ended the season by beating arch-rivals Northeast, Centenary and Louisiana College.

Senior forward and co-captain Malcolm Smith was the leading scorer with a 16.6 average with 7-foot sophomore Charlie Bishop right behind at 16.4. Senior guard Jim Pruett, who missed several games with a broken hand, averaged 11.6 and frosh guard George Corley hit 11.3 points per game.

Other scoring averages for the team included sophomore guard Wayne Smith (7.3), soph forward Bud Dean (5.7), senior co-captain Tommy Gregory (5.5) and soph forward Mike Durham (5.1). Other lettermen were junior forward John Whitmore and freshman Tommy Eagles.

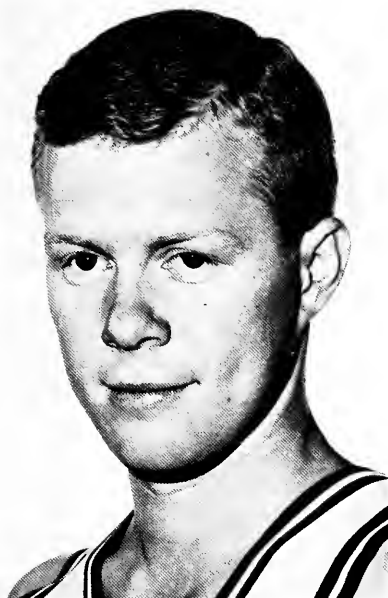

One of the highlights of the season came when the Bulldogs competed in the Pan American Holiday Tournament at Edinburg, Tex. They won their first two games to reach the finals, but then fell to the powerful host team, Pan American, by a 89-70 score.

Frosh Basketball

Louisiana Tech's freshman basketball team, coached by Hugh Corless, ran up a 10-12 record despite playing a rugged schedule which included numerous junior college powers. The club posted an 8-2 mark at home, but had trouble on the road and won only 2 of 12.

Forward Tommy Eagles was the team's leading scorer with a 19.0 average although he played in only 13 games before moving up to the varsity.

A balanced attack followed Eagles. Guard Ed Perkins averaged 13.6 points per game and right behind him were forward Justin Sharp (13.5), forward Bob Bradshaw (13.3) and guard Barry Canterbury (12.5).

Other scoring marks included forward Donny Lee (7.4), forward Doyle Eastep (6.5) and center Gary Heard (6.2). Wayne Snead and Kenny Sehon also earned frosh letters.

Among the top performances of the season were wins of 114-63 and 112-89 over LeTourneau Tech, 101-98 upset of Kilgore Junior College, a 95-92 victory over the East Texas Baptist Jayvees and two triumphs over the Northeast junior varsity.

BERRY HINTON
Retires as head coach at Tech
after 26 years of service.

Berry Hinton's reign as head baseball coach at Louisiana Tech came to an end in 1967.

Hinton closed out his illustrious 26-year career with a 319-185 won-lost record and .633 percentage.

The Bulldogs finished the 1967 campaign with an 18-18 mark, 10-10 on the road and 8-8 on the home diamond.

Third baseman Bill Duncan and catcher-outfielder Robert Marrus earned all-Gulf States Conference honors for the Canines.

Marrus led the team in hitting with a .348 average, while Duncan again proved to be the best fielding third sacker in the loop.

Outfielders J. B. Martin and Ed Watson were other Techsters hitting .300 or better, Martin batting .327 and Watson .317.

Seven pitchers had earned run averages under 3.00, with Reggie Cassibry topping the regulars with a 1.83 mark. Clyde Moore had a perfect 0.00 ERA, but hurled only one frame. Others with sub-3.00 earned run averages were Benny Prince, 2.03; Byron Sprawls, 2.31; Ronnie Bell, 2.42; Randy Hay, 2.59; and Ed Walker, 2.78.

Golf

Louisiana Tech's golfers finished fourth in the Gulf States Conference tournament as Southwestern Louisiana won its third consecutive championship. The Bulldog linksmen, coached by Athletic Director Joe Aillet, posted a 5-5 record in dual matches. Senior Clayton Koschel finished 8th in the GSC and junior Ray Mulhern was 11th. Mulhern had a 75.8 average for 16 rounds and sophomore Rick Hollan was right behind with 75.9 for 17 rounds. Koschel had a 76.8 average for 18 rounds. Frank Brame and Lee Matthews, both freshmen, also earned letters in addition to the top three.

Tennis

Louisiana Tech's 1967 tennis team, with four sophomores and one freshman playing the top spots, tied with Southwestern Louisiana for the Gulf States Conference championship in one of the closest league tournaments in history.

The Bulldogs, coached by Lee Hedges, had a 9-2 dual match record and beat the only two teams they lost to. The squad was 6-0 in GSC qualifying matches.

GSC champions were freshman Tommy Green at number three singles and sophomores Bill Keith and Steve Thurber in number one doubles. Thurber was the runner-up in number two singles.

Green posted a 13-2 record in individual singles and Thurber was 12-3. Keith playing number one, was 6-3. Bill McNease was 3-6 at number four and Luther Horton was 6-6 at number five.

Keith and Thurber combined for a 14-2 record in number one doubles and took the title in the Southern Mississippi tourney. Green and McNease were 6-6 at the number two spot.

Track

Dominated by juniors and freshmen and with only two seniors on the squad, Louisiana Tech placed fourth in the Gulf States Conference meet. But the improved season showing of the young team earned Coach Jim Mize a share of "GSC Coach of the Year" honors.

The Bulldogs won two dual meets and one triangular. Seven school records were either tied or broken.

The only seniors were discus thrower Tim Hall and sprinter Reggie Day. Hall was the GSC champion, took 13 first places and set a new school mark with a throw of 182.3.

Tommy Stinson was the only other Techster to win a GSC title. He high jumped 6-7 during the season to break the school record.

Other top scorers were hurdler Grey Easterling, sprinter Don King, distance man Brendan Minihan, hurdler Wayne Williams, sprinter Carr McClendon and javelin ace Mike Guzman.

King, Jerome Vascocu, Claude Williams and Day combined to break the Tech 440-yard relay mark and Easterling, Ronnie Broussard, Vascocu and McClendon cracked the mile relay record.

McClendon tied a school standard in the 440-yard dash, Easterling did the same in the high hurdles and Wayne Williams tied the Tech mark in the intermediate hurdles in a second-place effort at the GSC Meet.

Minihan was second in the three-mile run at the conference meet.

Cross Country

Louisiana Tech's cross country team finished second in the Gulf States Conference and participated in the NCAA College Division championships at Wheaton, Ill., during the 1967 season.

The Bulldog harriers won seven of nine dual, triangular or quadrangular meets during the season and one of the two losses came when the top five runners were competing in the Wheaton meet.

Sophomore John Kelly was third in the annual GSC meet at Monroe and senior Brendan Minihan was fifth. The University of Southwestern Louisiana won the championship with a low of 23 points. Tech was second with 58 points, followed by Southwestern (90), McNeese (93), Northeast (99), and Northwestern (143).

Senior Joe Comeaux was 11th in the GSC meet for Tech with sophomore Wayne McClane in 17th place and freshman John Couvillon 22nd.

It was an outstanding year for Minihan, who finished first in seven meets, and Kelly, who never finished below fifth and was second five times. Minihan was 66th in the NCAA run.

Archery Team

The Archery Team is open to all Tech students. Its primary interest is the shooting of target archery in which during the course of the year it participates in fifteen meets, including: shoulder to shoulder, mail, and telegraph.

In the past year many of the members have won awards and the top five placed in all team events. One member of the team, Robert Elkovitch, holds four state records and last year he placed ninth in the United States Intercollegiate Archery Championship.

Women's Intramurals

The Women's Recreation Association, which sponsors the intramural sports, offers to the women students on and off campus a variety of activities to participate in during their leisure time.

As each organization participates in the various sports, they receive points. Extra points are given for first, second, and third place winners of each tournament. Each year at an honors convocation, the organization which has displayed outstanding participation, interest, leadership and the ability to win is presented a trophy.

The climax of the women's intramural program is the Louisiana Federation of College Women's Recreation Association weekend held at Bunkie each year. Girls who have participated in at least seven different tournaments are eligible to go.

PIKA Wins Third Straight Intramural Title

For the third year in a row, Pi Kappa Alpha of the fraternity league captured the intramural championship with 3,483 points.

Finishing second with 2,815 points was the Baptist Student Union.

Reigning as champions in 66-67 spring sports were Scalawags, softball; T Club, track and field; Pi Kappa Alpha, tennis.

The PiKA's and Tau Kappa Epsilon both garnered two 1967-68 fall trophies. Pi Kappa Alpha won the basketball and cross country crowns. TKE took the horse-shoe and volleyball championships.

Sigma Nu took top honors in touch football. Tau Kappa Epsilon and Sigma Nu tied for the table tennis title.

PiKA's displaying the 1966-67 intramural trophy are Bob Seaman, intramural director, and Johnny Clay, most outstanding athlete.

The Arnold Air Society is an honor organization of outstanding Professional Officer Corps cadets recognized for their leadership in academic, social, and public affairs at Louisiana Tech and around Ruston. The squadron's activities include service projects such as a Christmas party for children from the Ruston State School. Last year the O'Donnell Squadron went to the national conclave in Miami, Fla., as the number one squadron from its area. Named for General Emmett O'Donnell, the squadron tries to follow the standards established by General O'Donnell and other great men in Air Force history.

Pledges hang the 305th detachment sign over new headquarters.
